Home / Decorative pillows

Decorative pillows

Decorative pillows are commonly used to tie in color accents within a room, often drawing on the colors in drapes, walls or area rugs. They can also be used to give a more casual feeling by looking as though they were thrown onto a piece of furniture

Curtains

Curtains are fabric panels used to cover windows, and are generally cut to fit a window or drop a few

When it comes to material of Curtains, linen, silk, faux silk and velvet are the best choices to use for window treatments since they tend to hang the best, says Guercio. "Faux silk tends to be the most durable," she says. And in a particularly sunny room, faux silk doesn't deteriorate as quickly as real silk
